JUDA - Judaism through the Arts is an exciting and innovative Jewish educational program in Southern Minnesota providing creative Jewish education for children. Open to children from various backgrounds and affiliations.

“ *JUDA has helped my children understand who they are, where they come from, and be proud of their heritage.*

LIRON SEBBAG, JUDA PARENT

Recently, I stayed at Mayo Clinic for 5 months straight waiting for a transplant. Chabad was there to be with me even through the despairs of the disease and often dark times. I am thankful to the entire Chabad family for all the help, support, concern and genuine care they have given me. They made me feel at home, even though my home is on the other side of the world.

OZ ELIEZER, CEO OF SECURE4U LTD.

Moussia Hospitality provides extensive, caring support and assistance to patients and families visiting the world-famous Mayo Clinic. A place of genuine, warm hospitality and care for everyone. Founding member of Chabad on Call: The Heart and Soul of Healthcare.

MedCity Kosher offers kosher certification for the Southern Minnesota region and serves as a kosher food resource. The premier source of kosher services for visitors, groups, and conferences of all sorts in Rochester, Minnesota and the region.

OUR MISSION

Our mission is to promote traditional values and social services for anyone regardless of race, religion, or orientation.
